University Heights GARDEN WALK 12 noon – 2:00
2nd Annual University Heights CHAUTAUQUA 2:15 – 4:15

Garden Club News:

Spring is in the air! The grass is greening and the trees are budding. Yes, the University Heights Garden Club is asking for donations for the garden spots by Taste on Melrose and the Triangle park/flag pole areas. This year we will repair a few blocks around the garden, add some good bagged black dirt, and of course, buy annual plants to add to the perennial part of the garden. We need your support!

There is a special account at Hills Bank for the garden club. **Make checks out to Carol Ann Christiansen** (not to Garden Club because we're not set up as a non-profit.) The books are open for viewing at the garden club meetings. Meetings are on some Saturday mornings at 9:30am. A sign is posted in the garden before upcoming meeting dates. Bring your garden tools, or just a cup for coffee and some ideas you want to share. Taste on Melrose generously lets us use their outdoor patio to meet and greet.

The UH Garden Club is organizing a neighborhood **GARDEN WALK** before the Chautauqua - **Sunday, June 10th from 12noon to 2:00pm**. If you are interested in having your home garden included on the walk contact Carol Ann Christiansen or Louise From. There is no garden too small or too large. This should be a fun event for all and include all styles of gardens from small planting areas/potting gardens/vegetable gardens to large landscaped spaces. Join in the fun!
