

ORDINANCE NO. 208

**AN ORDINANCE AMENDING ORDINANCE NO. 79 (ZONING) TO CREATE
A COMMERCIAL HOTEL ZONE AND PERMIT DEVELOPMENT
PURSUANT TO A COMMERCIAL HOTEL PUD**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF UNIVERSITY HEIGHTS, JOHNSON COUNTY, IOWA:

PART I. FINDINGS:

Whereas, the University Heights City Council hereby makes, adopts, and ratifies the following findings relating to the rezoning of certain real property known locally as 901 Melrose Avenue and portions or real property known locally as 905 Melrose Avenue, and 909 Melrose Avenue (hereinafter collectively, "the Property") for which a development application has been received that would require rezoning:

1. Commercial uses within University Heights are concentrated in three areas along Melrose Avenue: the C Commercial Zone located on the western edge of the community; the B Business Zone, located on the eastern edge of the community; and the Multiple-Family Commercial Zone, located at the intersection of Melrose Avenue and Sunset Street.
2. The Property is located in the R-1 Single-Family Residential Zone.
3. The Property is bordered to the north by Melrose Avenue, an arterial street according to Johnson County Council of Governments ("JCCOG"), the regional transportation planning body, that is the main traffic thoroughfare in University Heights. Farther to the north, across Melrose Avenue, is the B Business Zone.
4. The Property is bordered to the east by a deep ravine, located in the City of Iowa City, at the base of which an Iowa Interstate Railroad line operates. The Property's eastern boundary comprises a portion of the corporate boundary (City limits) of the City of University Heights.

5. The Property is bordered to the south by multiple-family residential dwellings located in the City of Iowa City; the Property's southern boundary comprises a portion of the corporate boundary (City limits) of the City of University Heights.
6. The Property is bordered to the west by an approximately 22-foot wide strip of land that provides pedestrian and bicycle access to Melrose Avenue for residents of the multiple-family residential dwellings south of the Property. Farther to the west, across this access strip, are single-family residential dwellings in the R-1 Single-Family Residential Zone.
7. The Property differs from surrounding single-family properties in size and density of dwellings; it comprises more than 3.75 acres, most of which consists of 901 Melrose Avenue, which contains only one single-family residential dwelling.
8. The Comprehensive Plan of the City of University Heights, adopted in 2006 and amended in 2010, provides that the predominance of residential land uses creates a concern about future financial stability for the community, and that "[t]he potential for conversion to commercial or institutional uses" should be evaluated.
9. Rezoning of the property from R-1 Single-Family Residential use to CH Commercial Hotel use addresses this concern by allowing for commercial development.
10. During its deliberations of this Ordinance No. 208, the University Heights City Council considered all the following "smart planning principles", as required by Iowa Code § 18B.1:
 - a. Collaboration;
 - b. Efficiency, transparency, and consistency;
 - c. Clean, renewable, and efficient energy;
 - d. Occupational diversity;
 - e. Revitalization;
 - f. Housing diversity;
 - g. Community character;
 - h. Natural resources and agricultural protection;
 - i. Sustainable design; and
 - j. Transportation diversity.
