See next page for inspection and repair schedule

Sidewalk Inspection and Repair Schedule

AREA	Inspect 1	Repair 1	Inspect 2	Repair 2
SE (south of Melrose, east of Sunset)	2014	2015	2018	2019
SW (south of Melrose, west of Sunset)	2015	2016	2020	2021
N (north of Melrose)	2016	2017	2022	2023

All inspections will occur in the fall of a year, with repairs targeted for completion the following July.

Sidewalk inspections were last done in 2005, following this first round of inspections, inspections will be held in even numbered years. Eventually there will be a regular 6 year interval between inspections.
